

(Knocking: Knock, knock, knock, knock, knock, knock)

Do you wanna build a snowman?

Come on lets go and play

I never see you anymore

Come out the door

It's like you've gone away-

We used to be best buddies

And now we're not

I wish you would tell me why!-

Do you wanna build a snowman?

It doesn't have to be a snowman.

(Go away, Anna)

Okay, bye...

Don't let them in, don't let them see

Be the good girl you always have to be

Conceal, don't feel, don't let them know

Well, now they know!

Let it go, let it go

Can't hold it back anymore

Let it go, let it go

Turn away and slam the door!

I don't care

What they're going to say

Let the storm rage on,

The cold never bothered me anyway!

(Knocking)

Do you wanna build a snowman?

Or ride our bikes around the halls

I think some company is overdue

I've started talking to

the pictures on the walls-

(Hang in there, Joan!)

It gets a little lonely

All these empty rooms,

Just watching the hours tick by-

(Tic-Tock, Tic-Tock, Tic-Tock, Tic-Tock, Tic-Tock)

It's time to see what I can do
To test the limits and break through
No right, no wrong, no rules for me I'm free!

Let it go, let it go
I am one with the wind and sky
Let it go, let it go
You'll never see me cry!

Here I stand
And here I'll stay
Let the storm rage on!

My power flurries through the air into the ground
My soul is spiraling in frozen fractals all around
And one thought crystallizes like an icy blast
I'm never going back,
The past is in the past!

Let it go, let it go
And I'll rise like the break of dawn
Let it go, let it go
That perfect girl is gone!

Here I stand
In the light of day
Let the storm rage on,
The cold never bothered me anyway!
