

# Catchin' Snowflakes

{Capo 1}

**G** **D7** **G** **D7**  
Little white snowflakes, falling from the sky

**G** **C** **D7**  
Floatin' over my head, way up so high

**G** **D7** **G** **Bdim** **E**  
But before they reach the ground, I'm gonna open my mouth

**C** **Bm** **Am** **G**  
Stick my tongue out, and catch 'em as they travel down south

**C** **G** **D7** **G**  
**Ah, ah, ah-ah, I'm catchin' snowflakes**

**Am** **Bm** **D7**  
**On my tongue, that's where they'll land**

**C** **G** **D7** **G**  
**Ah, ah, ah-ah, I'm catchin' snowflakes**

**A7** **D7** **G**  
**With my mouth, not with my hand**

**G** **D7** **G** **D7**  
A snowflake is just a drop of rain

**G** **C** **D7**  
That has frozen in the winter air

**G** **D7** **G** **Bdim** **E**  
When it hits my tongue, it melts away

**C** **Bm** **Am** **G**  
But there are more to catch everywhere

**CHORUS**
