

SCENE 1

(the snowflakes introduce themselves)

- Rio Hello, everyone! You look very pleasing.
We like it very cold, so we hope you're not freezing.
- Rubaisha My name is Snowflake.
- Lila Me, too!
- Shalese Me, too!
- Rio We're all here to sparkle and glisten for you.
- Rubaisha We started as water, way up very high,
And fell to the Earth from a cloud in the sky.
- Lila When we start to fall, it's a beautiful sight,
And soon everything is covered in white.
- Shalese A snowflake's a snowflake, by any other name.
Although we're alike, no two are the same.
- Rio Some of us are big.
- Rubaisha Some very small.
- Shalese When we stick together, we make a snowball.

(a snowball whizzes by)

- Lila Some of us are wet.
- Rio Some kind of dry.
- Rubaisha When the winter wind blows, we all like to fly.
- Shalese Some come down fast.
- Lila Some just go slower.
- Shalese You might like us best, if you own a snow blower.
- Rio I'm the biggest flake, by far.
When it comes to flakes, I'm the star. *(strikes a pose)*
- Rubaisha And I'm the littlest and that's just fine.
I may be tiny, but watch me shine.
- Lila We may look silly, but for goodness sakes,
We're a blizzard of snowflakes!
