

SCENE 4

Jenna Well that's the silliest song to sing, the silliest song I've heard.
All this talk of nothing special is totally absurd!

Dante , you said it right! That song has got it wrong.
I've never heard a wronger song and I've heard lots of songs.

Fatma Of course, we all are similar and that's okay,
But everyone is special in their very own way.

Abeer Look at all those people sitting out there in their seats.
Not a single one of them repeats and repeats.

Ramasa Some of them are little; some are very tall.
Some of them have lots of hair; some have none at all!

Fatma Some of them are singers; others like to dance.
Some would play golf everyday, if their spouse gave them a chance.

Abeer Some are really fast; some are kind of slow.
Some are happy in the sun; others like the snow!

Ramasa Some are rather quiet; some are really loud.
Some are really with it; some have heads up in the clouds.

Dante But everyone is special in their very own way,
Just like every snowflake that has fallen here today.

Jenna If it seems we're all alike, then part of that is true.
But no one is exactly the same. No one else is you!
